

MENÙ BEVERAGE

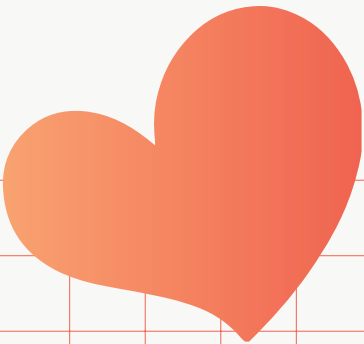

10 ANNI | PIZZA | MILANESE

Our drink list is inspired by the concept of “Less is More.”

A selection of few labels, all sharing the same focus on care and quality.

A drink list that offers both alcoholic and non-alcoholic cocktails, designed to provide refined pairings for everyone. Beverages that are preferably less sweet but more organic, less commercial yet more curated—crafted to enjoy a flavorful break, not with the ambition of being diet-friendly, but certainly healthier and more respectful.
